

The FACADO wall light is our flexible solution for outdoor lighting. Two cable entry points allow for problem-free feed-through wiring. The removable mounting plate with plug connection and the screwless connecting terminals allow for quick and easy installation. The newly designed lamp head provides even better illumination. IP65 degree of protection ensures impressive weather resistance.

The FACADO outdoor light is available in square and round designs in either dark grey or rust. You can also choose between an opal or transparent diffuser with smoked glass effect.

Special features

- Feed-through wiring possible
- Mounting plate can be disconnected via plug
- rapid and secure installation
- Weather protection with IP65
- Newly designed lamp head for improved illumination
- Variants in square and rounded designs
- Dark grey and rust colours

Housing Material	Aluminium, Polycarbonate
Housing Color	Rust
Housing Surface	Matt
Material of Lens	Polycarbonate - PC
Colour of Lens	Smoke-coloured
Surface Structure of Lens	Transparent
Protection Class	Protection class I/protective grounding
max. Power	1x max. 20 W
Rated Input Voltage Frequency	220-240 V/AC 50 / 60 Hz
Socket Description	E27
Illuminant Design	A60, A70, ST64
Socket Quantity	1
Connection Type	Connectionbox
Dimmable	Yes
Control	Dimmable via optional light source
Motion Detector	No
Execution	Without lamp
Light Exit Surfaces	5
Light characteristics	Direct
Light direction	Top, Side
Length	144 mm
Height	261.5 mm
Diameter	108 mm
Product weight	1378 g
Working Temperature	-20 to 40 °C
Storage Temperature	-10 to 60 °C
IP Protection Class	IP 65
